- 3) What will be the activities of the proposed student group and how do you plan to collaborate with other student groups and organizations on campus?

Student Group Criteria & Student Leader Responsibilities

Criteria to start a student group

- Student group participation and events are open and free to all CIIS students, staff, and faculty.
- Proposed student group has conducted research and outreach to insure student interest and involvement.
- A proposed student group supports the Student Alliance goal of inclusive and student-centered programming and activities.

Student Leader Responsibilities

- Attend Student Alliance Meetings and/or ensure a student group representation.
- Act as an interface between Student Alliance and the group by sharing news and ideas from Student Alliance with their group and from their group with Student Alliance.
- Stay informed about Student Alliance policies and funding procedures.
- Submit the dates of your group meetings and group events to the website coordinator with at least two week anticipation.
- Recognition that the student group is an affiliate of Student Alliance and all marketing materials recognize the events/activities are sponsored by Student Alliance.
- Submit sign-up sheets after each event to Student Alliance Coordinator to document and evaluate participation and programming for future events and budget planning.
